SCHOOL YEAR 1968-69

CHESANING JUNIOR HIGH

"No Man can reveal to you aught but that which already lies half asleep in the dawning of your knowledge.

The teacher who walks in the shadow of the temple, among his followers, gives not of his wisdom but rather of his faith and his lovingness.

If he is indeed wise he does not bid you enter the house of his wisdom, but rather leads you to the threshold of your own mind.

The astronomer may speak to you of his understanding of space, but he cannot give you his understanding.

The musician may sing to you of the rhythm which is in all space, but he cannot give you the ear which arrests the rhythm nor the voice that echoes it.

And he who is versed in the science of numbers can tell of the regions of weight and measure, but he cannot conduct you thither.

For the vision of one man lends not its wings to another man."

PRINCIPAL

. . . WRITES TO JUNIOR HIGH STUDENTS

Back
Good luck to you Bill. Keep
up that smile and your sports.
Mr. Valentine

Students, Faculty, and Friends of education:

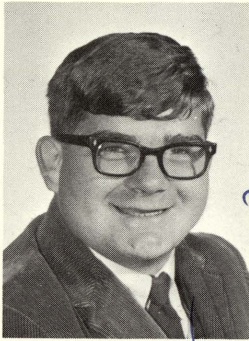

As the year 1968-69 comes to an end and the doors of Chesaning Junior High close for the summer house cleaning, we should all consider what we have done this past year and what we will try to accomplish in the future.

Maybe that report card doesn't read--A,A,A,A,A, but rather D,D,D,D,D. The D's might not show the true picture because if you have tried your best, then you should be congratulated for your efforts.

Some students have an easy time in school while others do not. At times, if the going gets too rough for the "hard timer" he feels like giving up. He can't give up--he will be glad that he didn't in the future.

JUNIOR HIGH CONCERT BAND . . .

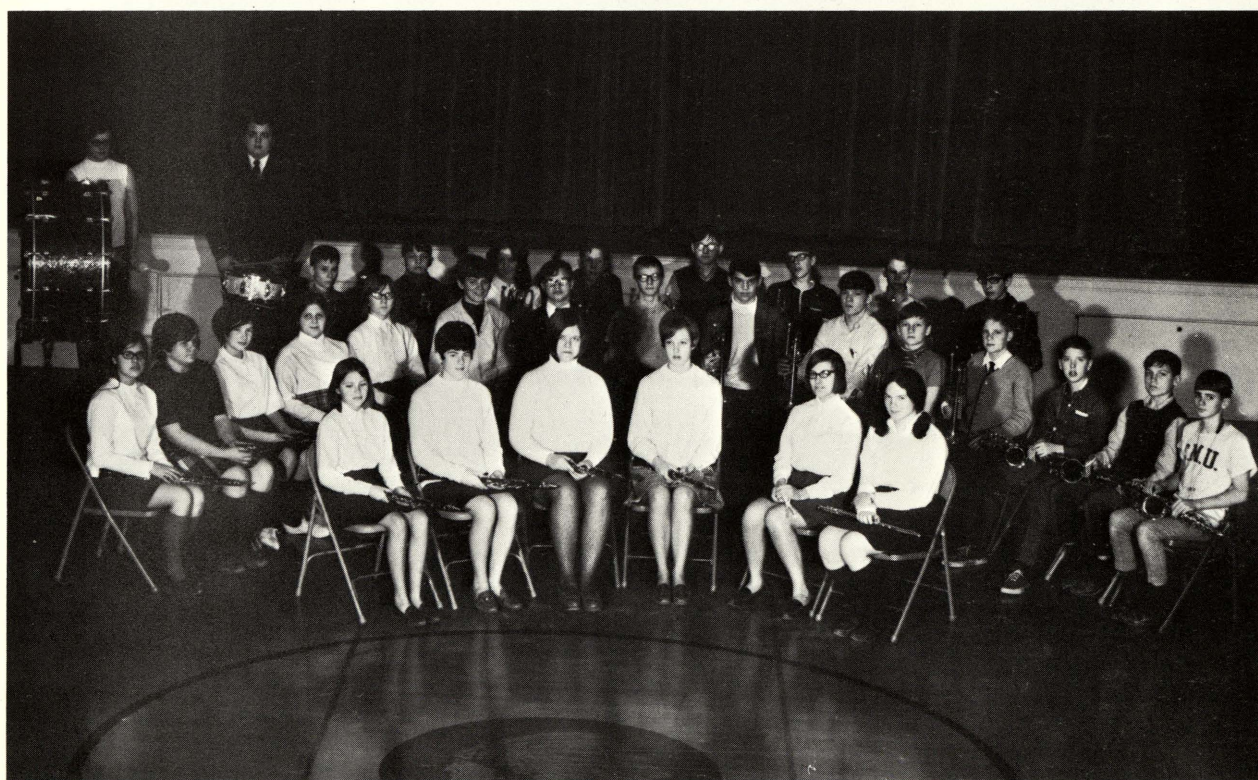

This is the first year that we have had two junior high bands. This is because of the greater number of band students in our program. Presently, we have ninety students--sixty in the Concert Band and thirty in the Cadet Band.

We start the concert season preparing for the Thanksgiving assembly, performed by our Cadet Band. The Christmas assembly and the Christmas Concert are our first performances with the Concert Band.

After Christmas, the Concert Band prepares for their band festival which is held in March. Solo and Ensemble Contest follows at the end of March. The members of both bands have a chance to display their ability, either in solo performances or ensemble, both competing for medals.

We then prepare for our Spring Concert, which is held the last of April. After April, we swing into marching season with both bands, preparing the eighth graders for summer marching band contests, with the high school marching band.

Music is the only experience that everyone can enjoy and understand throughout the world, whether you play an instrument or not.
